OCC TURNS 100! LET'S CELEBRATE!

2022 MARKS THE 100TH ANNIVERSARY OF THE FOUNDING OF OCC.

On the weekend of August 19-21, let's all celebrate this significant milestone in the Club's history together!

Centennial Weekend Activities

To celebrate 100 years, we are planning a weekend worthy of the milestone!

FOR GOLFERS:

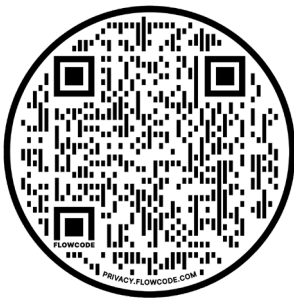

The Centennial Tournament

The 2022 version of the Member-Member/Member-Guest kicks off with a Friday night band party. Competitors will enjoy delicious food, commemorative freebies, and friendly competition. Currently, the field is full, but we are actively taking names for stand-by status. Scan the code below for the tournament schedule.

FOR NON-GOLFERS:

Opening Night Band Party

Come celebrate OCC's centennial with the golfers on Friday night! Reserve your space with a call to the Golf Shop (803-534-6069) by Friday, August 5. Your \$50 fee covers food and live music. Socializing is free.

This Centennial golf tournament has been sold out.
You may view our schedule of events here with the QR code.

The entertainment on Friday night
will be provided by
"THE GASPUMPERS!"

Socialize from 7:00 - 11:00 p.m.
The band plays from 7:30 -10:30 p.m.

ORANGEBURG COUNTRY CLUB

The Greens Report

It's August, which means our Fairway, Tee, Approach, and Greens aerification is complete. We used solid tines on all Tees/Fairways/Approaches this year so heal time was shorter than normal. All of our cultural practices are performed to ensure the health, consistency, and long term success with these greens. Champion ultra-dwarf is a very aggressive thatch/organic matter producing plant. We have to be just as aggressive removing the thatch and diluting organic material. The cultural practices are a necessary evil to have the playing conditions we all expect. Our goal is to have these areas healed as fast as we can so play is not disrupted.

The rough height has been raised to 1.25 inches. We started the season at .75 inch; it was later adjusted to 1 inch in June. We will end the season sometime in late September early

October at 1.5 inches. Cart traffic and normal maintenance traffic on dormant Bermuda grass can cause the turf to get thin and matted down. This can result in the turf coming out of dormancy late and promote a good environment for weeds. By increasing the rough length, this will help prevent this from happening. We are always planning for seasons ahead. What we do now effects the course conditions for the fall, winter, and spring seasons.

If you ever have any questions or concerns about the golf course or grass in general, please ask.

See you on the course!

Alex Tolbert
Greens Superintendent

MEN'S CLUB CHAMPIONSHIP

AND THE WINNER'S ARE!

A record 44 members registered for this year's Men's Club Championship. Competitors played 36 holes of stroke play in 1 of 4 divisions: Men's Championship; Men's Regular; Senior Championship; Super Senior Championship.

Greg Rawls, better known as Chicken Wing, came roaring back from an opening round 75 with a stellar round of 65 on Sunday to claim the title of Men's Club Champion with a total score of 4 under par, 140. Rick Lang, with rounds of 72-72, was the runner-up at Even par, 144.

In the Men's Regular Division, Hollison Smith claimed top prize with rounds of 80-77 (157) to win by 4 strokes over runner-up, Jay Harvey.

James Maples, with rounds of 75-78, held off defending champion Bob West (78-78) to take the title of Senior Club Champion.

Earl Senn is the new Super Senior Champion posting rounds of 79-82 (161).

Congratulations to all of our champions and prize winners.
