ORANGEBURG COUNTRY CLUB

The Greens Report

The weather has turned to fall now that it is November. The cooler temperatures and frosts in late October have stopped the growth of the Bermuda. The rough was topped one last time in late October at 1.5 inches. This is a good height for us because it allows the turf to have protection going through the winter months. This is one of the ways we can protect the plants during the cold winter. Just before the turf breaks dormancy next spring we will mow all of the rough down to 3/4 inch. We will maintain the rough at this height for as long as we can.

We did not overseed again this year. We have raised the mowing heights on all tees, fairways, approaches and greens. The higher heights of cut will help protect the turf during the winter.

Please let us know if you have any questions or concerns about the golf course or grass in general.

See you on the course!

Alex Tolbert

Greens Superintendent

The Club Happenings

**CHEF-CRAFTED ENTRÉES
NOW OFFERED WITH

Golf Announcements

TIME CHANGE WEEKEND

A few adjustments to make as we wind down the year.

Saturday, November 5 marks two items of note:

- 1) the end of **Daylight Savings Time**. Before bed that night, “fall back” and set your clocks back one hour;
- 2) the Saturday edition of The Blitz moves to its cool weather start time at 9:30 a.m. that same day.

Finally, beginning **Sunday, November 6**, the Golf Shop and Practice Areas will close at 5:30 p.m.

BUSY DAYS

Thursday, November 3 and 10. Please book your tee times in advance.

A couple of event dates:

Wednesday, November 16
OPS Pride Cup Tournament

Wednesday, November 23

Karen J. Williams “Turkey Ball” Tournament. The course will be closed to regular play on both of these dates.

Cherry Pie
Chocolate Cake

Fun for everyone!

COME ENJOY THE CLUB'S NEW FIREPIT!

Nothing beats a crackling fire on a brisk fall night! Seating eight, OCC's newly constructed fire area overlooks the picturesque 18th hole.

Order a warm drink and we'll see you on the back porch! First come, first served...or call us at 803-534-5988 to book a small gathering.

OCC WELCOMES PERSONAL GOLF CARTS

Please feel free to drive your golf cart to and from the Club! We have created designated parking areas for your cart around the pool and across from the pool snack bar. Please park in these marked areas only and not in the regular vehicle parking spaces.

Also, to avoid damage to the grounds, do not drive your personal golf cart on the course or course cart paths. Please note that you cannot play golf and use your personal cart. You may drive your personal cart to OCC to play golf and park it in the assigned areas. But you must rent a Club cart to use on the course.

All personal carts used on Club property must display an OCC sticker. On your first trip, please see Kelli or the Golf Shop Staff to register your cart and receive your sticker.

We are happy to accommodate personal carts at the Club! If you have any questions, please contact us at 803-534-5988.

DRESS CODE REMINDER

The Orangeburg Country Club expects proper attire for both men and women on the course and in the various facilities. Depending on the venue, certain clothing choices may not meet the dress code requirements. Please refer to the Club's policy for details on appropriate attire throughout the Club.

PICKLEBALL CONTINUES TO GAIN STEAM AT THE CLUB!

Check with the Golf Shop, (803) 534-6069, for details on team play, matches, clinics, or to borrow pickleball paddles and balls free of charge. Also, the Golf Shop offers pickleball equipment for sale...just in time for your holiday shopping!

Learning the Basics – Serving Rules and Sequence

Last month, we discussed the layout of the pickleball court. In this issue, we summarize how and when to serve.

As we previously noted, you can play pickleball as singles or doubles. Doubles consists of two players per team and is the most common way to play the game. Whether you play singles or doubles, the rules stay mostly the same.

Play begins with a serve by one team. You can use any fair method to choose a court side and determine who serves first.

Servers can choose to hit the ball in a “drop serve” manner or strike the ball in an upward arc without it touching the ground. If the latter, you must not contact the ball above waist level. Also, make sure the head of your paddle does not rise above the highest part of your wrist at contact.

When you strike the ball, keep at least one foot behind the baseline. Serve diagonally to the opposite court. Your goal is to land the ball within the confines of the opposite diagonal court. Each server has only one serve attempt.

When playing doubles, both players on the serving team serve and score points until they commit a fault, except for the first service of each new game. At the start of a new game, only one player on the serving team serves. After this player faults, the service passes to the receiving team.

The first serve starts from the right side of the court. If the server scores a point, he or she switches sides and serves from the left court. The server switches from side to side until the serving team commits a fault and the server loses the serve. Unless it's the first service of a new game, the server's partner then serves. The second server continues until the team commits a fault and service goes to the opposing team.

When playing singles, the server serves from the right side of the court when his or her score is even and from the left when the score is odd.

In next month's issue of *Currents*, we'll delve into the two-bounce and non-volley zone rules.

If you have any questions or suggestions, please call the Golf Shop at (803) 534-6069.
