THE GREENS REPORT

March means spring is in the air! It also marks the beginning of the season for the golf course staff. With the growing season right around the corner, we will begin preparing the turf. Since the turf has endured an up and down winter season, we're looking forward to an early spring.

To prepare for the season, we will apply fertilizer, pre-emergent, and fungicide. The fertilizer applications will carry the first of two pre-emergent applications. The fungicide applications will fight against summer disease. The best defense against these diseases is to stop them before they occur.

With the fluctuating temperatures we had this winter, the greens are susceptible to cold weather damage. We have taken every precaution to protect the greens. To get a sneak peek at what we might face this spring, we cut plugs out of a few greens and brought them inside so they can break dormancy. Although the plugs have been a little slow in breaking dormancy, once they do everything will be fine.

If you ever have any questions or concerns about the golf course or grass in general, please ask.

See you on the course!
Alex Tolbert
Greens Superintendent

GOLF CLUB TRADE-IN EVENT

Have you been considering buying a new driver or set of irons, but you aren't sure how to pay for it? No worries. On **Saturday and Sunday, March 4 and 5**, representatives from a company called **Next Round** will

be here from **10:00 a.m. - 4:00 p.m.** each day accepting trade-ins of your golf clubs. In return, you will receive a voucher for Golf Shop merchandise credit that you can use toward the purchase of those new clubs, or any other merchandise, from the Golf Shop.

Whether you are trading in the driver you bought last year or just cleaning the clubs out from the back of the closet, bring them out to the trade-in event. Even if your clubs have no trade-in value, leave your old ones with Next Round and you will still receive a \$10 voucher as a "thank you" for participating.

TIME CHANGE - SPRING FORWARD

Daylight Savings begins on **Sunday, March 12**. This is when we "**spring forward**" so remember to set your clocks **AHEAD 1 hour** when you go to bed on **Saturday, March 11**. With the extended daylight hours, the Golf Shop and Driving Range will close at 7:00PM to better serve you.

FITTING EVENTS

The first fitting events of the season are this month. Representatives from each of the following companies will be here on site to perform custom fittings to help you find the best clubs suited to your game. They will practically have their entire availability of club-heads and shafts plus launch monitors to help identify the clubs that perform best for you. Please sign up via the Golf Shop or via the link provided.

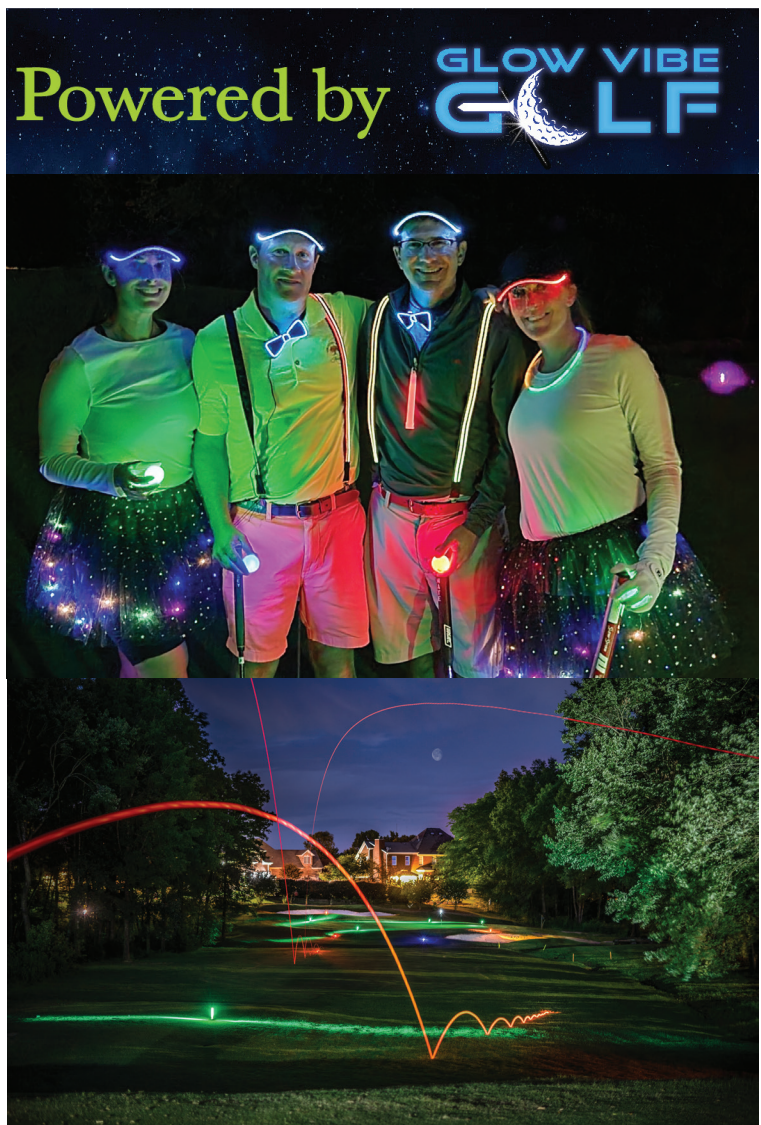

March 10 | Ping® Golf - 11:00 a.m. to 3:00 p.m.

March 18 | TaylorMade® - 11:00 a.m. to 3:00 p.m.
